

## STRENGTHEN YOUR CHEMICAL SUPPLY CHAIN WITH A SAFER DEDICATED BULK SOLUTION

Mishandled product and unreliable capacity hurt the reputation of a major cleaning chemical provider. Schneider Bulk stepped in with its safety-first approach to bring order to the process, ultimately showing the company what a carrier that prioritized safety could do for its supply chain – and bottom line.

### THE SITUATION

### THE SCHNEIDER SOLUTION

Formalized loading/unloading processes ensured safety

Lane optimization increased overall delivery efficiency and better managed transportation costs

Regular reporting highlighted opportunities for improvement and strengthened trust between parties

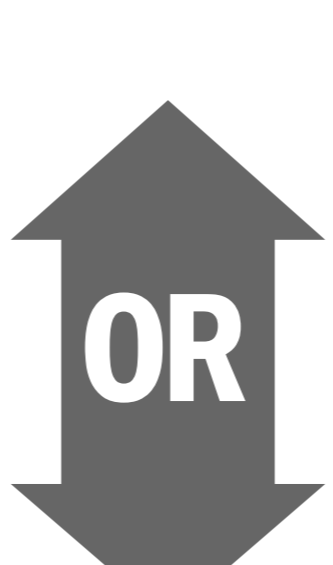

### THE RESULTS

**REDUCED INCIDENTS TO 0.25 PER**

**1,000 DELIVERIES**

**FLEXIBILITY TO INCREASE** **OR** **DECREASE CAPACITY**

**PROVIDED A TRUE DEDICATED BULK SOLUTION**

Schneider brought the safety-first service and flexible capacity the cleaning chemical provider needed. Now the company has a carrier it can rely on to safely deliver on time, as promised.

Learn how Schneider can help your company with a safe and reliable Dedicated Bulk solution.
