

STABILIZING FREIGHT COSTS AND IMPROVING ON-TIME SERVICE

This is how we delivered greater capacity for a leading warehouse membership club with more than 200 stores along the East Coast.

THE SITUATION

Provide personalized approach of a small carrier combined with scale of a large one

98%

Required 98% on-time inbound and outbound delivery

THE SCHNEIDER SOLUTION

Layer other networks around the customer

28 regional drivers assigned for increased efficiency and timeliness

THE RESULTS

LOWER TOTAL COST PER MILE

↑ DELIVERY TIMES IMPROVE 3-4%

Schneider's earned a place as the club's primary carrier in their truckload routing guide, and continues to provide expertise and consistent, exemplary service.
